PROJECT TITLE: Social Hackademy - #hackAD

Main event: Social Hackathon Umbria

EVENT DESCRIPTION

The main event of #SHU2021 is the Hackathon, which represents the final phase of the training course offered by the Social Hackademy Lab to over 100 young people from the Umbria Region. These young hackers will collaborate in co-design teams to support the solution givers selected through the call for ideas. Each team may consist of a maximum of 10 participants and will be led by an experienced team manager who will ensure the creation of a prototype/final product to be presented to the jury. The building that will host the Hackathon is the primary-middle school of Colfiorito, which will be accessible only with a pass. The #SHU2021 staff will control access and will guarantee a 24-hour presence for the duration of the competition.

To access the Hackathon areas you need to be accredited at the #SHU2021 InfoPoint!

PROGRAMME

- **Thursday 1 July**
 - 18:00/20:00 - Presentation of the projects to be developed in #SHU2021 and composition of the teams
 - 20:00 - Official start of the Social Hackathon Umbria 2021
- **Friday 2 July**
 - 17:00/19:00 - Excursion to discover the plateau and the marshland of Colfiorito
- **Saturday 3 July**
 - 15:00/17:00 - Doors open to the public to view and evaluate the work carried out by the hacker teams competing for #SHU2021
 - 20:00 - Deadline for delivery of final projects
 - 22:00 - Concert of Oskuri Figuri in collaboration with Dancity Foligno (Open to the public, more information on our Facebook page)
- **Sunday 4 July @ Tenuta Mattioni**
 - 9:30/13:30 - Presentation, evaluation and awarding of the eight projects developed during the Social Hackathon Umbria 2021

Side events

As every year, the Social Hackathon Umbria will not be an event for digital experts only! Starting from Thursday 1 July, numerous workshops and seminars will be organised for different types of participants.

This is the map of the areas that will host the side events of #SH2021!

Q

INFOPOINT

The info-point of #SHU2021 will be hosted at the square of Relais Forti, next to the Pub.

The info-point is open every day from 9.00 a.m. to 7.00 p.m. and is also the arrival and departure point of the shuttles connecting Colfiorito with Foligno.

At the Info-point there is also the departure station for CCAR-CO2, a 2/4-seater, off-road, electrically-powered vehicle, which will carry out tours along the banks of the Palude di Colfiorito.

GREEN AREA PRATARELLE & GYM

This whole area will host the stands and workshops of the SDGs Digital Village.

Access is free and there is no need to register online as for the other #SHU2021 events. On the other hand, the Augmented Reality and Virtual Reality experiences set up inside the gym can be visited by a maximum of 20 people at the same time. The entrance to the gym will therefore be limited to groups of maximum 5-6 people at a time!

SCHOOL

In addition to hosting the Main Event, the school in Colfiorito is also the reference point for the Summer Campus "In search of the Farfasso" and the event open to the public on Saturday afternoon.

From 3.00 p.m. on Saturday 3 July, until 5.00 p.m., it will be possible to enter the area reserved for hackers engaged in the realisation of the digital projects competing for #SHU2021.

Participants will be given an official pin of the Social Hackathon Umbria.

OFFICE ENTE PARCO

During #SHU2021 there will be two guided tours at the Colfiorito Marsh in collaboration with the association GMP GAIA.

Both appointments on Friday afternoon and Saturday morning are open to all participants, even the less trained, but the walk on Saturday 3 morning is particularly recommended for lovers of photography and digital video!

TENUTA MATTIONI

5km from the town centre is the beautiful Mattioni Estate made available by Fertitecnica Colfiorito to host some of the side events of #SHU2021.

In particular, Colfiorito 4 SDGs includes a seminar and practical workshops to discover the Sustainable Development Goals (SDGs) and represents the most important moment of confrontation open to the public in the whole #SHU2021 programme.
